TOP INSTAGRAM INFLUENCERS DATA (CLEANED) DASHBOARD

PREPARED BY :- TANMAY CHAVAN

ROLE :- BUSINESS ANALYST PROJECT

*PROJECT OVERVIEW :-

- THIS PROJECT ANALYZES THE TOP INSTAGRAM INFLUENCERS DATASET TO EVALUATE INFLUENCER PERFORMANCE, ENGAGEMENT BEHAVIOR, AND GEOGRAPHIC DISTRIBUTION USING KEY BUSINESS ANALYTICS TECHNIQUES. THE OBJECTIVE IS TO MEASURE OVERALL REACH (TOTAL FOLLOWERS), ENGAGEMENT EFFICIENCY (ENGAGEMENT RATE AND LIKES PER POST), INFLUENCE STRENGTH (INFLUENCE SCORE), AND COUNTRY-LEVEL DOMINANCE. BY CALCULATING KPIS AND PERFORMING EXPLORATORY DATA ANALYSIS, THE PROJECT IDENTIFIES HIGH-PERFORMING INFLUENCERS, COMPARES ENGAGEMENT ACROSS REGIONS, AND UNCOVERS PATTERNS BETWEEN FOLLOWERS, LIKES, AND INFLUENCE. THE INSIGHTS GENERATED CAN HELP BRANDS, MARKETERS, AND BUSINESSES MAKE DATA-DRIVEN DECISIONS FOR INFLUENCER MARKETING STRATEGIES AND PARTNERSHIP SELECTION.

*DATASET OVERVIEW :-

- THE DATASET CONSISTS OF 200 TOP INSTAGRAM INFLUENCERS, RANKED PRIMARILY BASED ON THEIR FOLLOWER COUNT. IT INCLUDES KEY ATTRIBUTES SUCH AS RANK, INFLUENCER USERNAME (CHANNEL_INFO), INFLUENCE_SCORE, NUMBER OF POSTS, FOLLOWERS, AVERAGE LIKES PER POST, 60-DAY ENGAGEMENT RATE, AVERAGE LIKES ON RECENT POSTS, TOTAL LIKES, AND COUNTRY OF ORIGIN. THE DATA PROVIDES A COMPREHENSIVE VIEW OF INFLUENCER REACH, ENGAGEMENT PERFORMANCE, CONTENT ACTIVITY, AND GEOGRAPHIC DISTRIBUTION, MAKING IT SUITABLE FOR ANALYZING SOCIAL MEDIA INFLUENCE, ENGAGEMENT TRENDS, AND REGIONAL DOMINANCE IN THE INFLUENCER MARKETING SPACE.

*KPI CARDS :-

KPI'S	Values
Total Followers	15.4 billion
Avg Engagement Rate	1.9 %
Avg likes per post	1.84 million
Country with Highest No. Of Influencers	United States (66 Influencers)

Country	Mean Influence Score	Influencer Count
United States	84.21	66
Brazil	77.77	13
India	81.75	12

*INSIGHTS FROM OVERVIEW OF INFLUENCER PERFORMANCE DASHBOARD :-

- ELITE INFLUENCE TIER: SELENA GOMEZ AND CRISTIANO RONALDO LEAD THE GLOBAL RANKING WITH A PEAK INFLUENCE SCORE OF 93. THIS TIER REPRESENTS THE HIGHEST POTENTIAL FOR BRAND AUTHORITY, AS EVEN THE 10TH-RANKED INFLUENCER (KIM KARDASHIAN) MAINTAINS A FORMIDABLE SCORE OF 91.5.
- ENGAGEMENT BENCHMARK: THE GLOBAL AVERAGE ENGAGEMENT RATE ACROSS THE MEASURED INFLUENCER POOL IS 1.9%. THIS SERVES AS A CRITICAL KPI FOR BRANDS TO EVALUATE WHETHER A SPECIFIC PARTNERSHIP IS PERFORMING ABOVE OR BELOW THE GENERAL MARKET STANDARD.
- SCALE OF REACH: THE COLLECTIVE POWER OF THESE INFLUENCERS IS IMMENSE, WITH A TOTAL REACH OF 15.4 BILLION FOLLOWERS AND AN AVERAGE OF 1.84 MILLION LIKES PER POST. THIS INDICATES THAT HIGH-TIER INFLUENCER MARKETING REMAINS ONE OF THE MOST EFFECTIVE WAYS TO ACHIEVE MASSIVE, RAPID SCALE.
- U.S. MARKET CONCENTRATION: THE UNITED STATES IS THE DOMINANT HUB FOR HIGH-LEVEL INFLUENCE, HOSTING 66 TOP INFLUENCERS. THIS CONCENTRATION SUGGESTS THAT U.S.-BASED CAMPAIGNS MAY FACE HIGHER COMPETITION AND COSTS DUE TO THE DENSITY OF PREMIUM TALENT.
- REGIONAL ENGAGEMENT VARIATIONS: GLOBAL HEATMAPS REVEAL THAT ENGAGEMENT RATES ARE NOT UNIFORM; CERTAIN REGIONS (HIGHLIGHTED IN RED/PINK) ACHIEVE ENGAGEMENT PEAKS AS HIGH AS 26.41%, WHILE OTHERS REMAIN BELOW 0.5%. ANALYSTS SHOULD PRIORITIZE THESE HIGH-ENGAGEMENT "HOT ZONES" FOR CONVERSION-FOCUSED CAMPAIGNS RATHER THAN RELYING SOLELY ON FOLLOWER VOLUME.

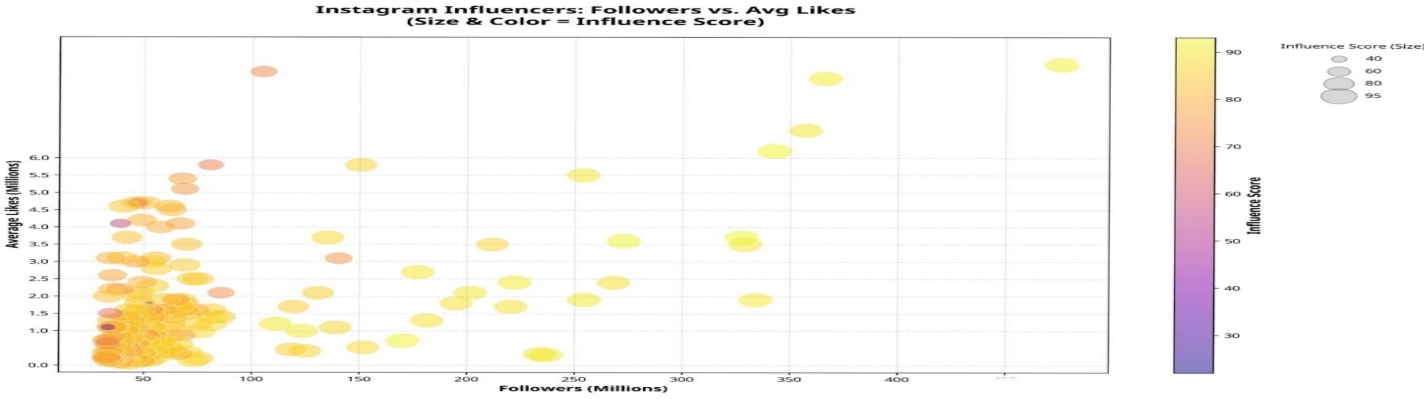
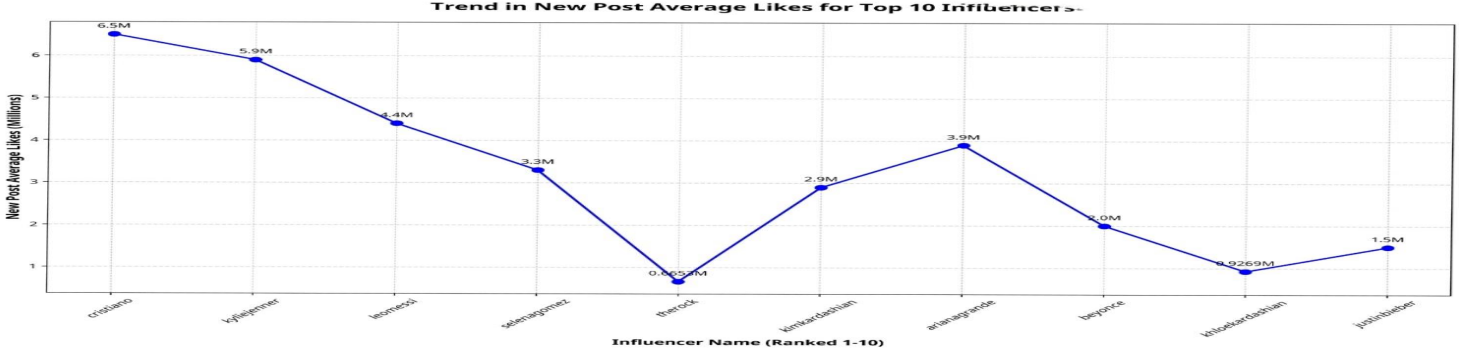
Engagement and Influence Metrics





*INSIGHTS FROM ENGAGEMENT AND INFLUENCE METRICS DASHBOARD :-

- FOLLOWER COUNT <> GUARANTEED ENGAGEMENT: THE SCATTER PLOT SHOWS A DENSE CLUSTER OF INFLUENCERS WITH UNDER 100M FOLLOWERS WHO ACHIEVE AVERAGE LIKES COMPARABLE TO THOSE WITH SIGNIFICANTLY LARGER AUDIENCES. THIS SUGGESTS THAT MICRO AND MID-TIER INFLUENCERS OFTEN OFFER HIGHER "BANG FOR YOUR BUCK" REGARDING ENGAGEMENT RATES.
- THE "CRISTIANO" BENCHMARK: CRISTIANO RONALDO LEADS THE PACK WITH 6.5M AVERAGE LIKES, ESTABLISHING THE CEILING FOR GLOBAL REACH. HOWEVER, THE SHARP DECLINE TO THE NEXT TIER (KYLIE JENNER AT 5.9M AND MESSI AT 4.4M) HIGHLIGHTS A NARROW "ELITE CLASS" OF INFLUENCERS WITH DISPROPORTIONATE MARKET POWER.
- THE "THE ROCK" ENGAGEMENT PARADOX: DESPITE BEING RANKED IN THE TOP 5 BY STATUS/FOLLOWERS, DWAYNE JOHNSON (THEROCK) SHOWS A SIGNIFICANT DIP TO 0.66M AVERAGE LIKES. THIS INDICATES A POTENTIAL MISMATCH BETWEEN TOTAL REACH AND ACTIVE CONTENT RESONANCE, SIGNALING THAT BRAND PARTNERSHIPS HERE SHOULD FOCUS ON BRAND AWARENESS RATHER THAN IMMEDIATE ENGAGEMENT.
- INFLUENCE SCORE CORRELATION: THE COLOR/SIZE CODING IN THE SCATTER PLOT REVEALS THAT INFLUENCE SCORES SCALE MORE PREDICTABLY WITH AVERAGE LIKES THAN WITH TOTAL FOLLOWER COUNT. FOR BRANDS, THE METRIC OF "AVERAGE LIKES" IS A MORE RELIABLE PREDICTOR OF A HIGH INFLUENCE SCORE (AND LIKELY ROI) THAN FOLLOWER SIZE ALONE.
- KARDASHIAN/JENNER CONSISTENCY: THE TREND LINE SHOWS THAT THE KARDASHIAN-JENNER FAMILY (KYLIE, KIM, KHLOE) MAINTAINS HIGH, ALBEIT VARYING, ENGAGEMENT LEVELS. KYLIE JENNER REMAINS THE FAMILY'S MOST EFFICIENT ENGAGEMENT DRIVER, OUTPERFORMING HER SISTERS BY NEARLY 2X TO 6X IN AVERAGE LIKES PER POST.

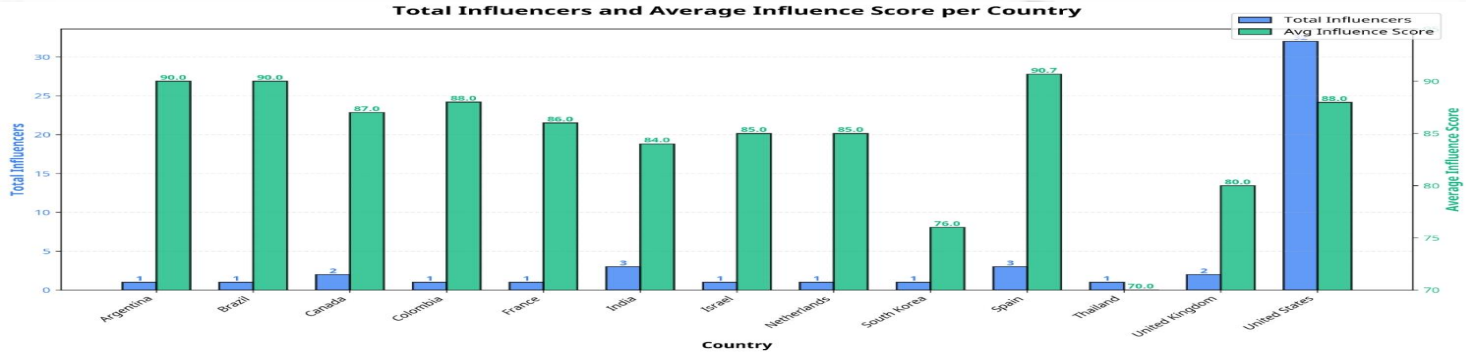
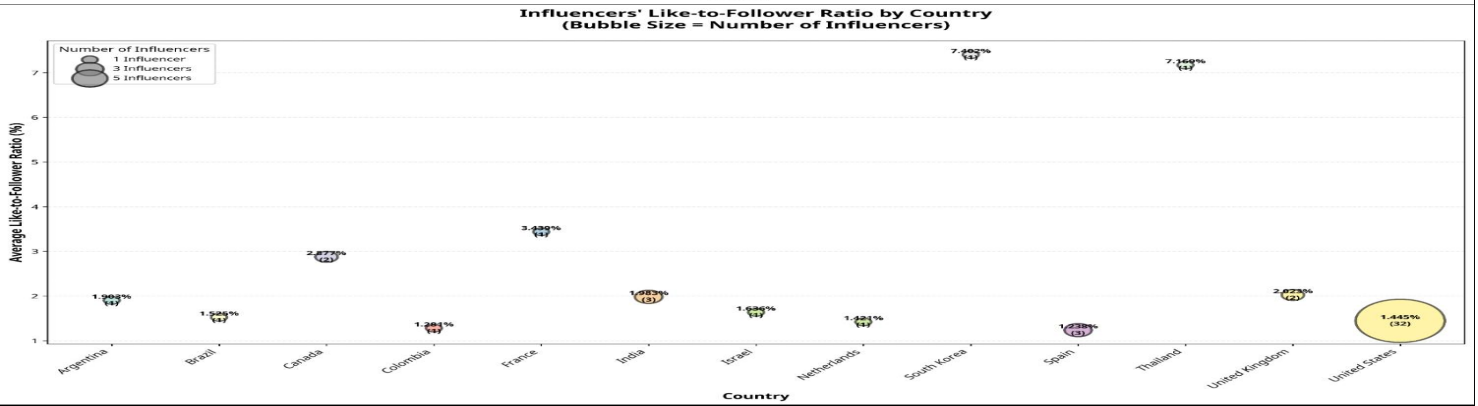
Country Specific Insights





*INSIGHTS , FROM COUNTRY SPECIFIC INSIGHTS DASHBOARD :-

- U.S. MARKET DOMINANCE VS. ENGAGEMENT: WHILE THE UNITED STATES HAS THE HIGHEST VOLUME OF INFLUENCERS AT 32, IT MAINTAINS A RELATIVELY LOW AVERAGE LIKE-TO-FOLLOWER RATIO OF 1.445%. THIS SUGGESTS A SATURATED MARKET WHERE BROAD REACH IS COMMON, BUT HIGH-INTENSITY ENGAGEMENT IS HARDER TO ACHIEVE.
- HIGH-EFFICIENCY EMERGING MARKETS: SOUTH KOREA AND THAILAND EXHIBIT THE HIGHEST ENGAGEMENT EFFICIENCY, WITH LIKE-TO-FOLLOWER RATIOS OF 7.402% AND 7.168% RESPECTIVELY. FOR BRANDS PRIORITIZING DEEP COMMUNITY INTERACTION OVER SHEER VOLUME, THESE REGIONS OFFER THE HIGHEST ROI PER FOLLOWER.
- SPAIN'S INFLUENCE QUALITY: DESPITE HAVING ONLY 3 INFLUENCERS IN THE DATASET, SPAIN BOASTS THE HIGHEST AVERAGE INFLUENCE SCORE AT 90.7. THIS INDICATES THAT THE SPANISH INFLUENCER LANDSCAPE, THOUGH SMALLER IN THIS SAMPLE, IS EXCEPTIONALLY HIGH-PERFORMING AND IMPACTFUL.
- THE THAILAND ENGAGEMENT/INFLUENCE GAP: THAILAND PRESENTS A UNIQUE ANOMALY: IT HAS A VERY HIGH LIKE-TO-FOLLOWER RATIO (7.168%) BUT THE LOWEST AVERAGE INFLUENCE SCORE AT 70.0. THIS SUGGESTS THAT WHILE THAI AUDIENCES ARE HIGHLY ACTIVE, THESE INFLUENCERS MAY LACK THE GLOBAL REACH OR BROAD AUTHORITY TYPICALLY REQUIRED FOR A TOP-TIER INFLUENCE SCORE.
- LATIN AMERICAN STABILITY: BOTH ARGENTINA AND BRAZIL SHOW STRONG INFLUENCE SCORES OF 90.0 DESPITE HAVING ONLY 1 INFLUENCER EACH REPRESENTED. THEIR ENGAGEMENT RATIOS (1.903% AND 1.525% RESPECTIVELY) ARE HEALTHY, POSITIONING THEM AS STABLE, HIGH-QUALITY MARKETS FOR LOCALIZED CAMPAIGNS.

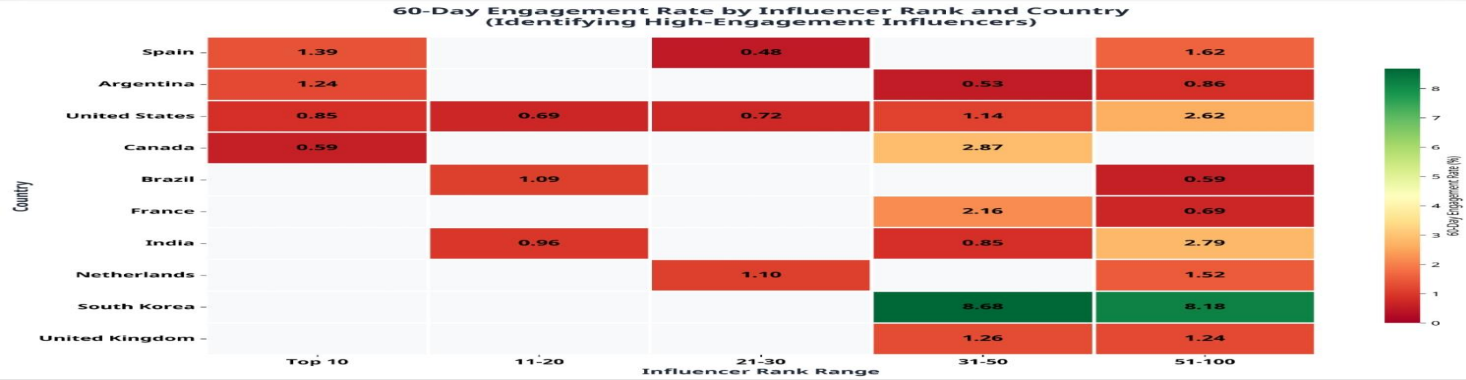
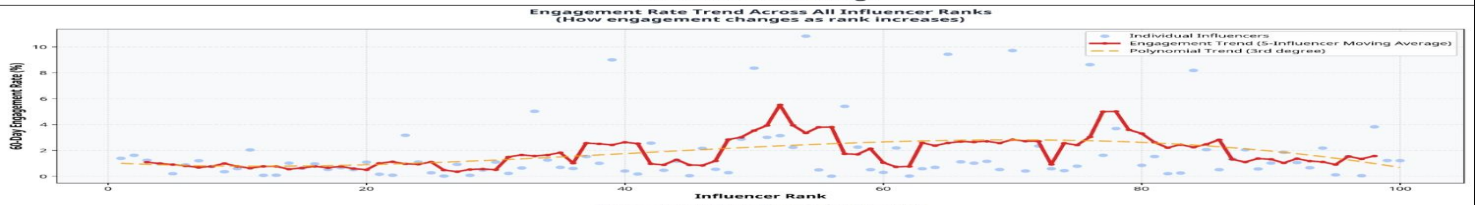
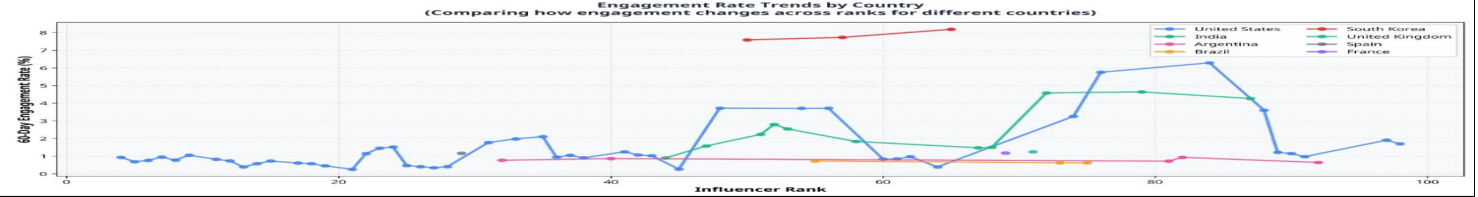
Engagement Trends







*INSIGHTS FROM ENGAGEMENT TRENDS DASHBOARD :-

- MID-TIER PEAK: ENGAGEMENT DOESN'T SCALE LINEARLY WITH RANK; THE HIGHEST ENGAGEMENT RATES (REPRESENTED BY THE POLYNOMIAL TREND AND MOVING AVERAGE) ACTUALLY PEAK AMONG INFLUENCERS RANKED BETWEEN 50 AND 80, RATHER THAN THE TOP 10.
- SOUTH KOREA DOMINATES: SOUTH KOREA IS A MASSIVE OUTLIER, BOASTING THE HIGHEST ENGAGEMENT BY FAR WITH RATES OF 8.68% AND 8.18% IN THE 31-100 RANK RANGE—SIGNIFICANTLY HIGHER THAN ANY OTHER COUNTRY.
- THE "TOP 10" PARADOX: CONTRARY TO WHAT MANY MIGHT EXPECT, INFLUENCERS IN THE TOP 10 ACROSS MOST COUNTRIES (LIKE THE US, INDIA, AND CANADA) GENERALLY SHOW LOWER ENGAGEMENT RATES (OFTEN BELOW 1.5%) COMPARED TO LOWER-RANKED PEERS.
- REGIONAL GROWTH TRENDS: WHILE MOST COUNTRIES STAY RELATIVELY FLAT, THE UNITED STATES AND INDIA SHOW A SIGNIFICANT ENGAGEMENT SPIKE AS INFLUENCERS MOVE FROM THE MID-TIER (31-50) INTO THE LOWER RANKS (51-100).
- HIGH VOLATILITY IN LOWER RANKS: THE SCATTER PLOT REVEALS THAT AS RANK INCREASES (MOVING TOWARD 100), THE VARIANCE IN ENGAGEMENT GROWS WILDLY, WITH SPECIFIC "BREAKOUT" INFLUENCERS HITTING NEAR 10% WHILE OTHERS REMAIN NEAR ZERO.

*CONCLUSION :-

- THE ANALYSIS SHOWS A STRONG RELATIONSHIP BETWEEN FOLLOWER COUNT AND AVERAGE LIKES, BUT ENGAGEMENT QUALITY VARIES SIGNIFICANTLY AMONG INFLUENCERS.
- HIGHER INFLUENCE SCORES ARE GENERALLY ASSOCIATED WITH LARGER AUDIENCES AND BETTER ENGAGEMENT PERFORMANCE.
- TOP-RANKED INFLUENCERS DEMONSTRATE CONSISTENT BRAND POWER, BUT NOT ALL HIGH-FOLLOWER ACCOUNTS GENERATE PROPORTIONALLY HIGH ENGAGEMENT.
- ENGAGEMENT TRENDS AMONG THE TOP 10 INFLUENCERS REVEAL FLUCTUATIONS, HIGHLIGHTING THE IMPORTANCE OF CONTENT STRATEGY AND AUDIENCE INTERACTION.
- OVERALL, THE DASHBOARD PROVIDES ACTIONABLE INSIGHTS FOR IDENTIFYING HIGH-IMPACT INFLUENCERS BASED ON INFLUENCE SCORE, ENGAGEMENT RATE, AND PERFORMANCE TRENDS.
